

# Make Your Move

*Dear SJCS Community,*

*Welcome to the 2019 Auction! The theme for this year's auction is "Make Your Move." What will your move be this year? There are so many exciting options. Our target for this year's auction is \$85,000, which will help provide many things, such as new technology, furniture, window coverings and other campus improvements. Our ultimate goal is not just to improve our technology or facilities but to use these resources to help us better equip our students to impact the world for Christ.*

*The money raised in previous auctions has been used to provide some wonderful and lasting improvements for our SJCS community. Since the first Auction, SJCS has replaced carpet, remodeled rooms, installed a new preschool playground, provided technology upgrades, and completed many other improvements. This year we were able to install a new security gate because of funds raised during last year's auction.*

*Not only is the auction one of the most enjoyable events for our SJCS community, but it is also a great way to support Christian education and provide excellent resources for our students and staff for years to come. A common refrain I hear in talking to parents of former students is that SJCS has had the most impact on their children, more than any other school. Your bid can make a big difference, so don't hesitate to make your move and bid, bid, bid!*

*Enjoy this evening of fun, fellowship, and bidding wars! In the process you can help us to "Make Our Move" to continue to provide the best possible Christian education and environment for our SJCS family now and for generations to come.*

*In His Service,*

A handwritten signature in cursive script that reads "Buddy Hucks".

## Check-In | Registration

Upon arrival, each guest will check in and receive an auction catalog and a bidding paddle. Each guest has been assigned a bid number, which is on the front cover of your auction catalog and on your paddle. You must use your bid number to bid on any auction item. Bidders are financially responsible for the use of bid numbers.

## General

The Auction Committee reserves the right to withdraw an item from the auction. SJCS has endeavored to describe all items accurately, and all items offered in the silent and live auctions are offered "as is," and therefore SJCS shall in no way be responsible for the correctness of the description, authorship, genuineness, or condition of the property. No statement given in this catalog, made orally by the auctioneer, or made elsewhere shall be deemed to be a warranty, representation, or assumption of liability. SJCS is not responsible for business or other failures beyond our control that may result in the loss or non-delivery of items purchased at the auction.

Unless otherwise specified, all auction services must be used by May 1, 2020.

All experiences sold at the auction are to be undertaken at the sole risk of the purchaser.

## Silent Auction

For Silent Auction items, please enter your bid by writing your bid number and the amount of your bid on the bid sheet posted by the item. The minimum opening bid and minimum raise (the increase over the prior bid) are marked on each bid sheet. Once a bid is entered, it may not be removed. The highest bid at closing is the winning bid.

All Silent Auction bid sheets must remain on the tables during bidding. The closing of the Silent Auction will be announced. The volunteers at each area will gather the auction sheets and mark the highest bids. The cashier will keep a running tab of each bidder's purchases. You must pay for all items at checkout at the end of the evening or before you leave the premises.

# Policies & Procedures

## Live Auction

The Live Auction will begin after the Silent Auction closes and will be conducted by the auctioneer.

To bid on an item, raise your paddle, showing your bid number. The auctioneer or spotter will note your bid. The highest bidder buys the item. The bidder/purchaser must pay for the item before leaving the premises.

## Reserve Items

Reserve items marked with an asterisk must meet a minimum bid requirement before the bid will be accepted. The auctioneer will announce the bid acceptance when the item is on the floor.

## Payment and Restrictions

Payment may be made on-site in the form of credit card, cash or check. Checks should be made out to SJCS. All items must be paid for, claimed and removed from the site by the end of the evening.

Auction items for services, vacation homes, etc., are to be arranged at the mutual convenience of the donor and bidder/purchaser. The bidder/purchaser is responsible for initiating contact with the donor to arrange mutually agreeable times. Certificates will specify how long an offer is valid.

Please read bid sheets carefully for information, special conditions, and limitations. All items are sold "as is." All sales are final; no exchanges or refunds are possible.

Values of auction items are estimates only and are not warranted by San Jose Christian School for tax purposes or general value. Under the Internal Revenue Code, one can take a charitable deduction only for the amount paid in excess of the fair market value of the product. Please consult your tax advisor for item deductibility. Dates printed for specific items are as stated. No exceptions.

# The Golden Paddle

## SJCS Monopoly

Tonight you have the opportunity to win the use of the Golden Paddle and \$1,000.00 to be used in the Live Auction.

We need you to make your move in the SJCS Monopoly game! Invest in SJCS by playing tonight's game to win the GOLDEN PADDLE! The Golden Paddle makes you the banker and gives you \$1,000.00 to be used in the live auction.

56 properties are available for this great opportunity! 28 properties from the original Monopoly game and 28 from the American History version. Here are the rules of the game:

### **Find a staff real estate agent.**

Find our staff members, who are acting as real estate agents and see what properties are available for sale.

### **Buy the property.**

Purchase the properties you think will win tonight's Golden Paddle.

Each property is \$50.

Before the Live Auction we will ask you to stand with your property card(s).

### **Don't get mortgaged.**

Our auction team will select 1 property and through a process of elimination, property owners will need to sit down if their property card is mortgaged to the bank. Will your property be the selected one for the \$1000 Golden Paddle?

### **Get ready to bid.**

If your property is the selected draw, you'll be bidding big with the Golden Paddle, worth \$1000.00 in the live auction.

### **Restrictions**

The Golden Paddle is non-transferrable.

Any amount that you bid over \$1,000.00 is your responsibility.

The \$1,000.00 can be used in smaller increments on multiple items.

Total value needs to be utilized during the Live Auction.

Remaining dollars can be used for the Fund-A-Need portion of the auction.

No cash will be given to the winner if monies are not used.
