## Success by Mr. Hucks

Success is a word that is used a lot. Most people want to be successful: successful parents, successful students, successful in business, successful in sports, etc.

We generally think of success as the accomplishment of some goal or achieving material prosperity. However, the Hebrew word for success used in the Old Testament is the word sakhal which originally meant “to follow after.” Depending on the context the word sakhal also translates as “to be wise” or “to prosper.” Spiritually speaking, success could be defined as “attaining wisdom” or “prospering spiritually.”

At San Jose Christian School, we want our students to prosper academically, but more importantly, we want them to prosper spiritually and engage the culture around them with wisdom and discernment. Our mission is “to advance the kingdom of God by providing exceptional teaching and curriculum fully integrated with biblical perspective. Within our committed Christian community, we live to engage and transform culture for Jesus Christ.”

As we are in the process of re-enrollment for next year, we look forward to partnering with you to help put your child on the road to both academic and spiritual success so that they may be a force for transforming the culture for Christ.

## Re-enrollment

Great job to all the families who have already submitted their re-enrollment for the 2019-20 school year. We encourage all families to take advantage of the early re-enrollment incentive. By enrolling on or before March 1 your enrollment is \$250 per student. After March 1 the fee increases to \$500/student. If you would like to discuss your re-enrollment or any other plans you are considering for next year we encourage you to contact Mr. Hucks or Mrs. Phillips. They would welcome the opportunity to discuss your plans for next year.

## Nut Safety Policy

A number of students in a wide range of grade levels at SJCS have significant allergies to tree nuts and peanuts. We seek to provide a safe environment for those students, and we ask families to do their very best to avoid sending food to school that contains the allergens. This policy applies to lunches as well as snacks or treats brought into the classroom for any reason. We also ask that students not share any food with each other.

Please help us keep all students and our campus safe.

## E.C. is Closed on February 15th-18th

Extended Care (JK – 8th) will not be available on this day for the observance of President's Day Weekend.

More details about the Tiger Bucks program can be found in the Parent Student Handbook at Section 7.3.

## GrandFriends Day – 2019

This Thursday we will celebrate SJCS with our GrandFriends. GrandFriends are defined as grandparents, parents, aunts, uncles, cousins, friends and all who support our children in their education. Our goal is to share the awesome programs and curriculum with those who support our students. The event will begin with coffee and pastries at 8:15am. The program will start at 8:45am in the SJCS Auditorium. Classroom visit will be from 10:30am – 11:45am. Jr. K – 8th grade will have an early dismissal at 11:45am. All students are expected to attend the day.
