

Mentor Families

Description of responsibilities: Help new families feel welcomed and a part of the SJCS community. This is mainly done during the summer by calling them, inviting them to a pre-school get together and then being available throughout the year to answer questions.

Skills needed: A heart for the mission of SJCS, desire to make new families become a part of the SJCS community

Working with: 1 or 2 assigned new families

Estimated Time Commitment: 3 – 4 hours during the summer
