

A *love* for God.
A desire to *learn*.
A commitment to *serve*.

Mission & Values

Mission Statement

The mission of SJCS is to advance the kingdom of God by providing exceptional teaching and curriculum fully integrated with a Biblical perspective. Within our committed Christian community, we live to engage and transform culture for Christ.

Core Values

Biblical Worldview

At SJCS we value seeing life through the lens of scriptural truth and living accordingly. We acknowledge the sovereignty of God over every aspect of creation. We address the fallen-ness of humanity and the broken-ness of creation by directly addressing their effects on life as God intended it to be. We do not avoid difficult issues; we teach biblical discernment.

Educational Excellence

We value high academic standards for our students, cultivating each child's potential capacity as an image-bearer of God. We value proactive innovation, carefully assessing the need for change and seeking new methods to improve education when appropriate. We provide educational excellence for each student within a safe and loving environment.

Whole Child

We value each child as a unique workmanship of God himself. We develop the wholeness of each child's character, academic progress, effort, physical abilities and artistic expression.

Outstanding Teachers

We value outstanding, passionate and faith-filled teachers, who meet the highest professional standards and are flourishing both personally and professionally. Our teachers are committed to the calling of Christian education.

Responsible Stewardship

We value responsible Kingdom-advancing stewardship over all of creation, including community, people, time, facilities, financial resources and the environment.

Intentional Christian Community

SJCS is a covenantal, faith-infused community. Our faith is passionate and the Spirit is alive among us. We lovingly hold each other accountable to the core values stated here. We demonstrate unwavering support to our fellow community members in upholding these same values.
